

## Covid-19

In line with government advice, Fablevision Studios and its parent charity, Fablevision, have decided to close the office in the Paisley Centre until further notice. Instead our teams will work remotely.

Should you have a requirement for any of the following...

- Graphic Design
- Web Design
- Publications
- Social Media Account Management
- Video Editing

... then don't hesitate to contact us at [info@fablevision.org](mailto:info@fablevision.org) or [fablevisionstudios@gmail.com](mailto:fablevisionstudios@gmail.com).

We cannot, however, offer video, photography, event management, scanning or printing services, which would involve putting our clients and personnel, some of whom have underlying health issues, at risk.

As a consequence of the present situation, we will not be attending any public gatherings such as seminars, presentations or networking events. We will await expert advice on when it is appropriate and safe to resume normal service.
